Dr Ronx

Sample Synopses

Series 1, Episode 1

The Doctors experiment on their muscles to show they work! Dr Chris meets some wriggly maggots that are helping to heal a sore foot and Dr Xand goes on-call with an emergency ambulance team. Meanwhile over in accident and emergency one patient has some grit in his head after a fall in the playground and another has injured his neck after performing a karate kick...

Series 3, Episode 8

The Doctors get competitive in a race to reveal what happens when blood vessels get blocked, Dr Xand goes for some physiotherapy, and Dr Chris is out with the emergency services helping a man with chest pain. Meanwhile in Accident & Emergency, one patient has hurt his neck playing rugby, and another has cut his head being a superhero...

Series 4, Episode 1

The Doctors reveal the surprising secret behind the speed of your nerves, Dr Xand finds out what happens if you don't wash your hands and the twins head out onto the street to test out a mind-bending trick that reveals how you can make your favourite cake look bigger than it is. Meanwhile, the 'Ouch-Mobile' is opening its doors for more medical mysteries, and in Accident & Emergency one patient has a sweet stuck up their nose, and another has an ear that's swelling fast.

Series 6, Episode 10

The Doctors reveal how your skull protects your brain, and they find out what it's like to be the hospital hairdresser when they're faced with cutting real people's hair in Operation Takeover. Dr Chris heads into the woods in search of one of the deadliest creatures on earth and there are more medical questions to be answered in Ouch and About On Call. Meanwhile in Accident & Emergency one patient has a sore eye, and another heads to surgery to repair a badly broken wrist.

Series 7, Episode 1

There's a big bang in the lab as the doctors show how genes make you who you are, and a new doctor joins the team! Find out more about her as Dr Ronx takes us behind the scenes of Homerton Hospital where she works as a doctor in the Emergency Room. Meet two brand new Ouch Patients and find out how to make a hole in your hand with a new body trick to try at home. Meanwhile in the Emergency Department Jay's got a double break in his leg, and Hadi's cut his hand.

Long Running Half Hour Format

Boys and girls alike have enjoyed this flagship show on CBBC since it began in 2012. Real life twin doctors, Chris and Xand, amaze and entertain kids aged 7-11 years with astonishing facts about the human body and how it mends itself. Real life accidents, animated stories and diagrams, body tricks, experiments and consultations all contribute to helping children get over their fears and answer their questions.
